

YOUTH PROJECT

ABBEYVIEW

WE WANT TO
HEAR FROM
YOU!

What do you want to see happen in your area? How best can we support young people in the area of Abbeyview?

Join us on Saturday 24th Oct, 21st Nov, 5th Dec, we will be in the St Ninians Parish Church and surrounding area between 12-4 so come and hang out, meet the team experience the Satellite Centre and come tell us what you want to see happen in Dunfermline. This is an opportunity for you to make something happen in Dunfermline.

Want to be a part of the first Abbeyview Youth Project Committee or know of someone who does?

This is an opportunity as we develop a youth project for the young people of Dunfermline to help run and organise the project events, plan what you want to see happen, and help spread the word of the project.
